

# PHOENIX ENVELOPE™

As a highly engineered product, our envelope grade (wove) is a preferred choice at many envelope manufacturers and has an outstanding performance record on converting equipment.

## ADVANTAGES:

- ✓ Blue-white shade for high contrast
- ✓ Engineered to run on high-speed envelope converting equipment
- ✓ Outstanding strength and reliability for output efficiencies
- ✓ 92 Brightness

## ENVIRONMENTAL FEATURES:

- ✓ Process and Elemental Chlorine Free (ECF)
- ✓ Acid-free manufacturing process for archival properties
- ✓ FSC® Certification available upon request

## IDEAL FOR:

- ✓ Business & Consumer Envelopes
- ✓ Nonprofit Envelopes
- ✓ Credit Card Sleeves
- ✓ Greeting Card Envelopes

## BETTER PAPER. BETTER LIFE.™
